### **Designed By You LLC Signs First Jewelry Design Consultant**

(Royal Oak, MI - 03.06.07) Designed By You LLC is pleased to announce the signing of their first Jewelry Design Consultant. Jessica Ciesla of Bay City, MI signed with Designed By You LLC on Thursday, February 22nd and has already held her first party. Jessica specializes in pendants, but assists with all aspects of jewelry making. She enables entire wedding parties to create coordinating but unique pieces that will dazzle the crowds at any wedding. She offers a fun activity at birthday parties for girls in and around their teen years. Her parties will be held in the tri-city area. For details regarding Jessica and her parties, look up her new webpage at <http://www.dbyjewelry.com/jciesla.htm>.

These parties are a unique opportunity for women to design up jewelry that will match the spring and summer clothes soon to be filling their drawers and closets. Party hostesses earn a credit toward free jewelry that they create themselves. Be the first person in your group to bring this fun to all of your friends. Schedule a party today, and give your friends something fun to look forward to.

Interested in a career that enables you to be your own boss and set your own hours? We can help you get started. There is no previous experience necessary because the company fully trains each of their consultants.
